# INTRODUCTION

Congratulations Kate Bhore for winning President-Elect.

Kate will do an incredible job in her role and will transition into the role of president in May 2023.

She will head this organization for a two-year period 2023-2025

Kate comes with many years of experience and has strong leadership skills.

A low-angle, upward-looking photograph of a massive, rusted steel bridge tower. The tower's surface is covered in numerous rivets and bolts, creating a complex, textured pattern. The sky is a pale, bright blue, and several power lines stretch across the upper right portion of the frame. A solid red rectangular box is superimposed over the center of the image, containing the text "Treasurer's Report" in white, bold, sans-serif font.
