

Dallas AORN Meeting
September 19 Meeting

The September meeting of the Dallas AORN chapter was called to order at 1810 with Kate Bohr presiding

- * Introductions and celebrations – Tamera Burkhalter was new in attendance
- * The May minutes have not been completed but will be posted.
- * JD nominated National Board of Directors - voting February next year- vote for JD

The business meeting began at 1815 with President Elect Kate Bhoire presiding.

- * Terri is not able to provide Treasure report because her rebuilt computer no longer has quicken and it no longer works. She is working to resolve the issue
- * For the 2023-2024 Calendar note the AORN Conference is March 9-12, and the symposium for TCORN will be held in Dallas – no date has been determined
- * Our current virtual Platform is a Zoom account under JD's name. The Dallas chapter will either need to get a Zoom account or Terri suggested a Google account with which she is more familiar.
- * Cookbook - JD and Greg are leading Cookbook and are looking to publish by May of next year. They requested that everyone send recipes to link on our website. They are planning to incorporate previous two cookbooks Vol 1 Vol 2 and now Vol 3. It will be a fund raiser through Amazon
- * Journal Club article Perioperative Risk Assessment for Skin Injury. Sherah will lead online chat and discussion chat
- * TCORN Updates: A smoke Evacuation press release coming soon. A New Year's symposium is to be held in Dallas Date TBD
- * AORN Conference will be held in Nashville TN March 8 -11, 2024. Please plan to attend.

Educational Presentation was lead by Rep Scrubs. Presenters were Blake Mazza and Nick Terotola.

Their company is constructed to help ensure vendor Compliance for supporting hospitals and challenges to scrub access. The vendors suffer compliance fatigue as a result of hospital difference relate to scrub access. Vendors are an important source of surgical support; however, it is difficult for vendors to maintain consistent facility scrub compliance. UNC was cited for non-compliance. Vendors maintain compliance with facility sign-n and covid vaccinations. Scrub costs hospital 10-30.00 per set and cleaning 2-4/set

Rep Solution is designed to:

- Connect with vendor compliance
- Automate vending machine for attire
- Compliance assured

Rep Scrubs Solution- becomes the vendor for your reps scrubs
